Summary

Systems-focused engineer with a Master's in Computer Science and a deep understanding of Linux infrastructure and software development. Leveraging a strong technical foundation to provide precise, context-aware translations for IT documentation, software localization, and scientific research. Expert at bridging the gap between complex English technical concepts and natural, accurate Hindi terminology.

Skills

- **Cloud & DevOps (Learning):** AWS (EC2), SSH, Docker, Linux CLI, Git/GitHub
 - **AI Coding Tools:** Devin CLI, Devin Desktop (formerly Windsurf AI)
 - Programming & Scripting
 - **Web Development:** Responsive Web Design, HTML5, CSS3
 - **Languages & Translation:** Technical Translation (English ↔ Hindi), Software Localization
-

Technical Projects & Active Labs

- **Cloud & AI Tools Lab Work (In Progress)**
 - Provisioned and maintained a live **AWS EC2** instance, handling all remote server management and configuration entirely over **SSH**.
 - Practicing application containerization using **Docker** directly inside a cloud environment to learn infrastructure consistency.
 - Exploring terminal-based agentic workflows using **Devin CLI** and **Devin Desktop** on remote environments to automate code editing, refactoring, and debugging.
 - **Personal Portfolio & "About Me" Website**
 - Built and deployed a responsive personal website to showcase frontend design skills and active code repositories.
 - Optimized web pages for clean layouts, fast loading times, and mobile responsiveness.
 - **Open-Source Localization** → keepandroidopen.org
 - Translated the official documentation and web assets of the keepandroidopen.org initiative into natural, context-accurate Hindi.
 - Ensured complex mobile OS and technical concepts were accurately localized for Hindi-speaking developers and users.
-

Education

- **Master of Computer Science (2022 - 2024)**
 - Guru Ghasidas Vishwavidyalaya, Bilaspur - CGPA: 7.27 (68.50%)
 - **Bachelor of Science (Computer Science) (2019 - 2022)**
 - Kamla Nehru College, Korba - 76.83%
-

Certifications

- FreeCodeCamp - [Responsive Web Design](#)
-
